

JEC WORLD

2023 The Leading International Composites Show

April 25-27, 2023 | PARIS-NORD VILLEPINTE

LUKASIEWICZ RESEARCH NETWORK – INSTITUTE OF AVIATION 39468

Attention to : Magda WIEJACHA,

We are pleased to send you herewith the details concerning your booth at the **JEC World 2023** trade show at **Paris Nord Villepinte**.

Hall: 5

Booth number: L 86

Surface: 24 sqm

Dimensions: 6 m x 4 m

Booth type: RAWSPACE

Corner(s): 1

Column (with or without PFHP*): 0 sqm

Invoiced: 24 sqm

*PFHP : permanent fire house point (RIA in French)

IMPORTANT:

1. Acceptance of the present proposal constitutes the exhibitor's firm commitment to exhibit at JEC World as well as the agreed-upon surface areas, price and location of the booth. Any subsequent changes to your initial order will be reflected on the balance invoice.

2. This proposal is valid for your booth only. The area surrounding it and the layout of the neighbouring stands are subject to change up until the opening of the trade show.

3. At <https://exhibitors.jec-world.events> you will find a technical plan for Hall 5 & 6 (trapdoors in the floor, height, column dimensions) to show your booth designer if necessary.

Please confirm your agreement within 2 days to exhibitors-jecworld@jeccomposites.com . In the absence of answer from you we will consider that you have accepted the location and show dates (from April 25th to 27th, 2023)

We remain at your disposal for any further information

Best regards
